

beSafe: Your Safety

Personal Protective Equipment (PPE) Saves The Day

- ◆ Use the right PPE for each job
 - ◆ Slip resistant shoes
 - ◆ Face-shield, apron & gloves when cleaning fryers & grills
 - ◆ Safety box cutter when opening boxes
 - ◆ And more - ask your manager about the right PPE for the job
- ◆ Be an example to others - use the proper PPE every time
- ◆ Store PPE in designated area
- ◆ Report any missing, old, or damaged personal protective equipment to management
