Your Safety: We Care About You

- ◆ Always wear a reflective safety vest, bright hat or other reflective garment when you exit the building. For example: when bringing food out to customers, taking out the trash, or on a travel path, etc.
- ◆ Always look both ways & be careful when taking food to a customer
- ◆ Report any parking lot lighting issues to management immediately
- ◆ Drive-thru security bar should be down & locked when not in use
- ◆ Be familiar with the security section of the O&T Manual
