

Be Prepared: Fire Safety Plan

If a fire occurs at the fryer or grill, stay calm and follow these steps:

- ◆ Step 1- **Evacuate**
Evacuate others from the area. In a clear loud voice: WE HAVE A FIRE - PLEASE LEAVE THE BUILDING CAREFULLY.
- ◆ Step 2 - **Pull Ansul**
If the Ansul system does not activate automatically. Pull handle straight out until the system goes off (ensure employees know which pull station goes with which hood).
- ◆ Step 3 - **Call 911**
- ◆ Step 4 - **Stand by with Silver extinguisher**
Stand by with K class (silver) fire extinguisher. If you need to use it – **(P.A.S.S.):**
 - **P**ull Pin and stand back 10 feet
 - **A**im at base of fire
 - **S**queeze handle
 - **S**weep side to side until empty
